

CSLA CD 1 POSTING SURVEY

On February 7, 2019 WPD Environmental Compliance Inspector M. Gunby conducted homeless encampment surveys and posted areas for clean-up starting on Saturday, February 9, 2019. The postings began at 1050 hours and ended at approximately 1330 hours. Additional photographs taken are not included in this report.

Approximately 8 hours of total cleanup time should be allowed for 2/9/19, and the following resources will be required at the minimum: One WPD team, one LASAN Solids team, one Clean Harbors Environmental Services team and a large trash truck.
